

Spring 2018

# Club 180 Ministry

*Have you done your 180 yet?*

Well, Winter has come and hopefully gone! It was a very wet and dreary winter here in the mountains. This was the first year in our 12 years here that Terry and I both fought the flu and sickness. Whew! Praise the Lord we are all better and Spring is bringing new life all around us! We want to say a special thanks to those who responded to our urgent need of paper products and Capri Suns. We now have enough to get us through a few months. Thank you so much!

Game Day 180 Basketball Program just finished it's first season with six teams consisting of K-4th Graders learning basketball skills and teamwork and more importantly being introduced to Jesus Christ and God's Word during each practice and games. What an exciting season we had! It ended with a Championship game and trophy's given out to all players. Chris Johnson did an incredible job of bringing this program together and making it fun for the kids and bringing our Community out to support it. He is already talking about next season and ways to make it even better!

Our After School Program is beginning it's last month for this school year and we have enjoyed every minute of being with the kids and pouring the love of Jesus Christ into them. We already have themes for our Summer Day Camp and have so much planned for when kids get out of school. The University of Alabama Nursing School is coming back this year and hosting a Medical Clinic and we are so excited to be partnering with them once again. Club 180 Ministry is in the works with First Baptist Conyers to bring Biblical Training for Pastors and those wanting to further their Pastoral Education. Please pray with us as the details come to light.

We are diligently working on the Club 180 Facility one room at a time. We have some Bunk rooms that need updating and would love for your Sunday School or Church to adopt a room and put your mark on it. If you are interested, contact us and we can give you more details.

Thank you to all who support Club 180 Ministry. This ministry could not continue without the prayer and support of churches and individuals that believe and invest to further God's Kingdom.

Blessings,

## River's Edge Fellowship

Just over three years ago, God confirmed in us as well as some other Missionaries and locals, that a church plant was to become part of Club 180 Ministry. River's Edge Fellowship began and has been meeting and doing life together since its inception.

Please pray God will continue to grow this church to be a light in our community. A church that opens its doors and hearts to everyone that walks in and disciples people into a deeper relationship with Jesus Christ. Pray other churches will walk alongside us to help provide much needed resources and volunteers.

## Ministry Needs

- Church Partnerships
- Construction teams to come help with Club 180 building needs.
